## MID-MICHIGAN CHAPTER SCI

By Joanne Witte Awards Chairperson

I thought you might be curious about who our all-time leaders are for each species recorded in our Record Book. Each year after the Hunter's Convention I list the all-time leaders. In some cases the hunter changes and in some cases the hunter remains the same for many years. It is interesting to note that for some more common animals the all-time leader was taken many years ago. My theory is that the country is no longer producing huge animals in some categories.
