

Dear SCI,

Thank you for sponsoring me so I could go to the Michigan-out-of-doors camp, it was a blast. I'm 11 years old and I think I should tell you guys that I learned a lot more than I expected. Here is a schedule we followed everyday.

Wake Up 7:30

Flag pole 9:00

breakfast 8:15

2 hour session

Recreation time = free time

lunch

FOF - Feet off floor

2 hour session

Recreation time = free time

supper

Campfire or all camp swim.

bed 9:00

I learned a lot, I learned about guns, bow & arrows, mammals, trees, plants, insects, and more. I did here an abbreviation that was unfamiliar to me and that was FOF Feet-Off-Floor.

When I was at this camp I earned my Hunter's Safety certificate and that made me feel good.

The test for Hunter's Safety was easy for me I thought it was all common sense. When we did campfires it was fun we did Campfire and that's where two kids sing and the winner goes against another kid. We also sang songs and acted out stories.

Thanks again,

Danielle Eldred

Thanks for the great time at the camp. It was wonderful my favorite was archery and riflery.

P.S. I learned some camp songs and skits, they will be cool! I want to go again next year.

Dear Safari Club,

I had a very good time at camp and I would love to go next year. My favorite part of camp was when we shot our bows and when we shot our archery. Thank you for sending me to camp for kids.

Signed

Anthony Maio

Thank You!
